Dear Professor Roy,

**Consideration of the terms of reference of the statutory review of the Scottish Fiscal Commission**

At its meeting on 21 December, the Social Justice and Social Security Committee considered the terms of reference of the upcoming review of the Scottish Fiscal Commission.

I am pleased to report that the Committee welcomed the review and has no comments to make on the terms of reference.

The Committee also welcomes the opportunity to take part in the review as appropriate when it takes place in 2024.

Yours sincerely,

**Collette Stevenson MSP**
