Revision	Description	Files Revised	Items Revised
Revision 1	Paragraph 24. After “information on reserved public”, the correction adds “sector employment in Scotland” to complete the sentence.	<p>Scotland’s Economic and Fiscal Forecasts – December 2024 (link)</p> <p>Scotland’s Economic and Fiscal Forecasts – Summary – December 2024 (link)</p>	Paragraph 24
Revision 2	Paragraph 2.20. The paragraph incorrectly stated “The real terms growth in the Block Grant in 2025-26 is 1.2 per cent compared to 2024-25.” The correction is to: “The real terms growth in the Block Grant in 2025-26 is 1.4 per cent compared to 2024-25.”	Scotland’s Economic and Fiscal Forecasts – December 2024 (link)	Paragraph 2.20
Revision 3	Box 2.1. The first paragraph of the ‘Baselining of internal transfers’ section gave as an example “delivering a minimum wage for social care workers”. The correction is to : “delivering the Real Living Wage for social care workers”.	Scotland’s Economic and Fiscal Forecasts – December 2024 (link)	Box 2.1

Revision 4	<p>Paragraph 2.11. The paragraph starts with “Since then, the funding position in 2024-25 has increased by around £1.3 billion”. It is unclear what position this statement is comparing to. The correction adds a sentence before that one: “The Scottish Government reflected the changes we reported on in August, among others, at the Autumn Budget Revision (ABR) in September 2024”.</p>	<p>Scotland’s Economic and Fiscal Forecasts – December 2024 (link)</p>	<p>Paragraph 2.11</p>
Revision 5	<p>Footnote 23. The footnote should start with a new added sentence: “The December 2023 forecast of the 2025-26 funding position was a Scottish Government assumption based on its Block Grant for 2024-25 excluding IFRS16 adjustments. The December 2024 forecast includes IFRS16 adjustments”.</p> <p>The rest of the footnote remains the same, except for the number quoted (88 per cent), which has been changed to 92.6 per cent.</p>	<p>Scotland’s Economic and Fiscal Forecasts – December 2024 (link)</p>	<p>Footnote 23</p>
Revision 6	<p>Figure 2.8. The £56 million addition in 2024-25 should be £54 million as footnote [2]. The correction changes this, as well as the revised closing and opening balances for 2024-25 and 2025-26, which go down by £2 million (£553 million and £217 million).</p>	<p>Scotland’s Economic and Fiscal Forecasts – December 2024 (link)</p> <p>Scotland’s Economic and Fiscal Forecasts – December 2024 – Chapter 2 – Fiscal Overview – Figures (link)</p>	<p>Figure 2.8</p>

Revision 7	Footnote 40. “For a detailed table of how the Scottish Government plans to manage the distribution of NDR over time (the NDR pool), see Supplementary Table S2.12.” The correct figure to reference is S2.11.	Scotland’s Economic and Fiscal Forecasts – December 2024 (link)	Footnote 40
Revision 8	Figure 2 and Figure 2.9. The real-terms growth rate for the Transport portfolio has been corrected to 1.7 per cent from 2.5 per cent.
