
Log of Changes Fiscal Sustainability Perspectives: what Scotland's finances mean for the next parliament

Log of changes – June 2026

Revision	Description	Files Revised	Items Revised
Revision 1	Clarify that the OBR forecast for the GDP deflator is used for 2025-26 onwards, not just 2025-26. No change to graph.	FSP-Report-what-Scotlands-finances-mean-for-the-next-parliament-February-2026BF45GS7.pdf, FSP-Figures-what-Scotlands-finances-mean-for-the-next-parliament-February-2026H329K45.xlsx	Figure 1.6 (notes)
Revision 2	Correct the first sentence, which was written in the wrong order: it now reads “From the start of devolution in 1999 up to the Global Financial Crisis in 2008, we calculate a real-terms improvement in living standards in Scotland by an average of 2.9 per cent per year, as measured by real disposable income per person.” Remove the third use of the word ‘in’ in the second sentence. No change to figures.	FSP-Report-what-Scotlands-finances-mean-for-the-next-parliament-February-2026BF45GS7.pdf	Paragraph 3.8
Revision 3	Add ‘to be’ before percentage in final sentence. No change to figures.	FSP-Report-what-Scotlands-finances-mean-for-the-next-parliament-February-2026BF45GS7.pdf	Paragraph 3.11
Revision 4	In third sentence, add missing word ‘the’ before ‘UK’s’ and add full stop to end. No change to figures.	FSP-Report-what-Scotlands-finances-mean-for-the-next-parliament-February-2026BF45GS7.pdf	Paragraph 3.18
Revision 5	Delete first use of ‘of’ in fourth sentence. No change to figures.	FSP-Report-what-Scotlands-finances-mean-for-the-next-parliament-February-2026BF45GS7.pdf	Paragraph 3.24
Revision 6	Convert paragraph formatted with a bullet point to a numbered paragraph, with number 3.34. This increases all subsequent paragraph numbers by 1 for the remainder of the chapter. No change to figures.	FSP-Report-what-Scotlands-finances-mean-for-the-next-parliament-February-2026BF45GS7.pdf	Unnumbered paragraph following Paragraph 3.33
Revision 7	Clarify that the OBR forecast for the GDP deflator is used for 2025-26 onwards, not just 2025-26. No change to graph.
